#### FIFTH WEEK OF LENT

In northern Ethiopia where drought is very common, Ato Teklu  
Hagdu lives with his wife and eight children, struggling to survive. Often  
he had to leave his family to search for work in other areas. Catholic Relief  
Services helped build a water system in his village and gave farmers  
training in irrigation, tools, seeds and other help to improve harvests.  
Today, Ato is feeding his family, expanding his farm and saving money  
for the future, which will help him get through the dry seasons. He feels  
more in control of his life.

Jesus in the gospel shows compassion to the woman caught in  
adultery. We might wonder why the woman is the only one condemned  
by the authorities when her unnamed partner in the act seemingly suffers  
no consequences. The double standards, which lead to injustices heaped  
on women, were a part of the culture of the day in Jesus' time. Jesus does  
not ignore the sin, but focuses instead on our tendency to judge others  
when we ourselves are all sinners. God alone is the judge, a forgiving  
and compassionate judge, who calls us to repentance and a new way  
of life, avoiding our past sins. Compassion leads to confronting unjust  
systems, transforming ourselves, and new ways of living.

The people of Ethiopia seem also to be unjustly condemned to  
lives of poverty and struggle. The Church teaches us that we all have  
rights and responsibilities in our society. The way of Jesus is to show  
compassion to a brother or sister who is in need and support them.  
Our responsibility to show compassion and love makes a difference in  
transforming lives through CRS programs that allow people to receive  
such a basic right as water.

Lent is ending soon and now is the time to increase our efforts  
of prayer, fasting, and giving so that we may more fully enter into the  
mysteries of Holy Week. Let us this week make an extra prayerful  
sacrifice through Operation Rice Bowl as we live in solidarity with our  
Ethiopian sisters and brothers. – CRS information ~ Office for Social  
Concerns, Catholic Diocese of Columbus.

## OPERATION RICE BOWL ~

### THE WOMAN CAUGHT IN ADULTERY

The Lenten call to repentance is matched by the overwhelming compassion and forgiveness of God. The story of the woman caught in adultery shows us that Jesus does not want to condemn us, but rather to place us on the path to new life. Our prayer, fasting, learning, and giving with Catholic Relief Services' Operation Rice Bowl opens paths to new life for our brothers and sisters in need.

**THE ANNUNCIATION AND LIFE**

"The angel's Annunciation to Mary is framed by these reassuring words: 'Do not be afraid, Mary' and 'with God nothing will be impossible' (Lk 1:30, 37). The whole of the Virgin Mother's life is in fact pervaded by the certainty that God is near to her and that he accompanies her with his providential care." (Evangelium Vitae, 105). What happened at the Annunciation overcomes the fear and despair that lead to violence. It has been said that the false god transforms suffering into violence, while the true God transforms violence into suffering. Mary, in her "yes," gives courage to all mothers who know that being a mother will involve some suffering. She assures them that they are not alone. The Christian community, following Mary's example, accompanies these mothers with their prayers and their active charity, providing alternatives to abortion. The Feast of the Annunciation falls on March 25. - [www.priestsforlife.org](http://www.priestsforlife.org).

**ST. EDWARD the CONFESSOR**

In today's second reading, St. Paul says; "I consider everything as a loss because of the supreme good of knowing Christ Jesus my Lord. For his sake I have accepted the loss of all things and I consider them so much rubbish, that I may gain Christ..." Does my stewardship suggest that I could say the same?
